

The background features a light gray gradient with numerous thin, vertical, slightly wavy lines in a muted teal color. A solid teal horizontal bar spans the width of the image, containing the text.

Project

'Empower children to be safe'

- The project was carried out by the Association of parents Step by step, Feniks, Alfa Albona, Portal Alfa and U.Z.O.R.
- The project was carried out from 2013 to 2015 in 5 counties: Dubrovnik-Neretva, Istria, Primorsko-goranska, Osijek-Baranja and the City of Zagreb
- From the research (Trbus, M., Rajčić H. i Rajter M. (2015.): Every child has a right to be safe from violence. Zagreb: Association of parents Step by Step) the results are:

UZOR
UDRUGA ZA ZAŠTITU OBITELJI RIJEKA

Samples were taken from:

- 2339 Young people (all regions)
- 166 Young people (Istrian county)
- 2215 Parents (all regions)
- 303 School employees

The evaluation of young people, parents and school employees about the presence of risk factors in their community:

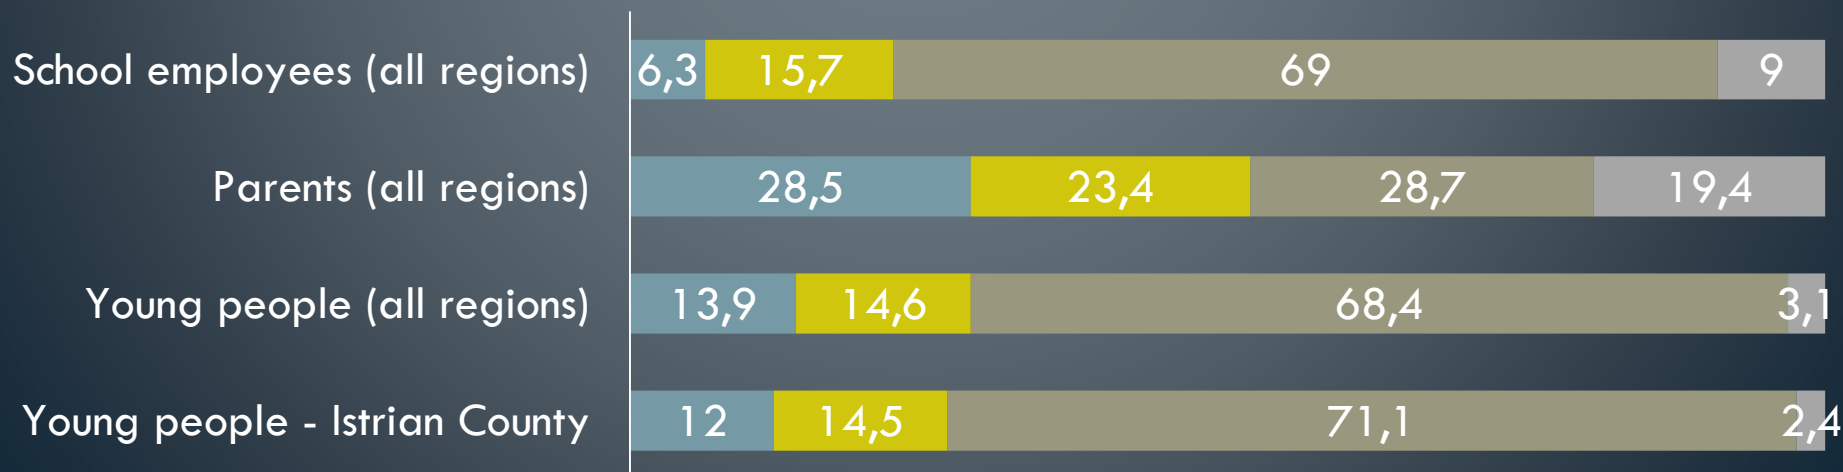

Minors can buy alcohol.

■ It doesn't happen/happens very rarely %

■ It sometimes happens %

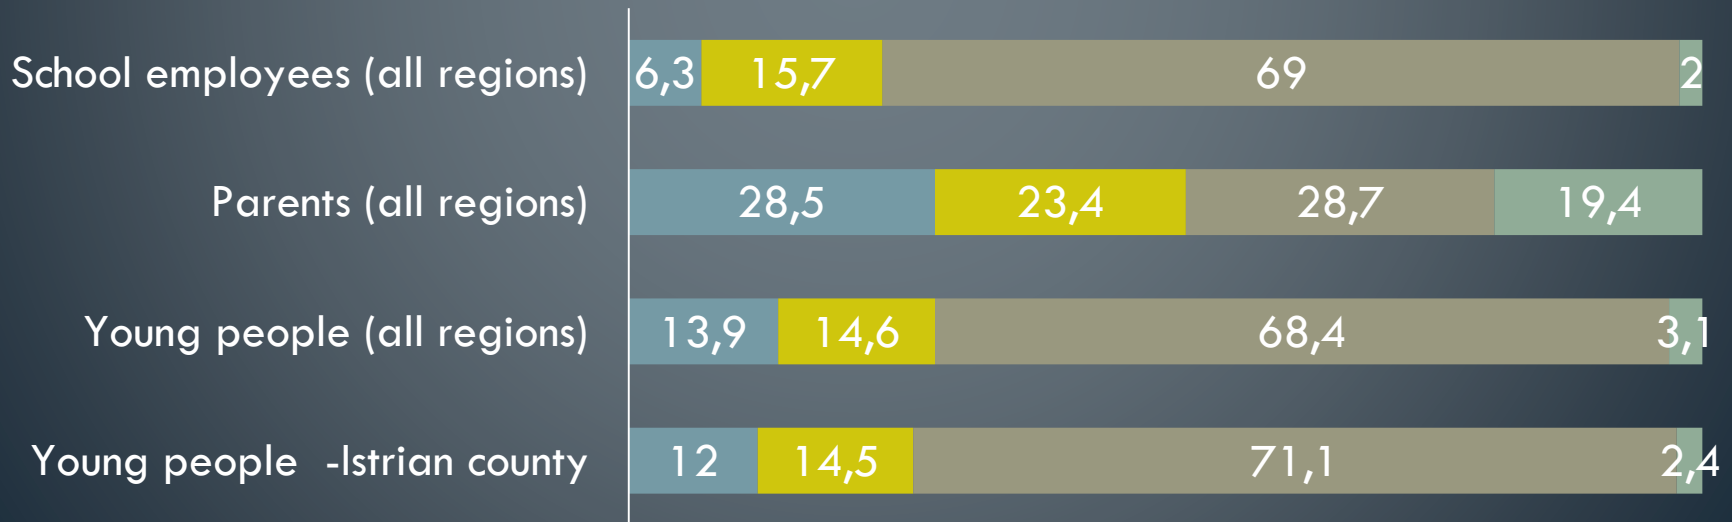

■ Happens frequently/it is very common %

■ I don't know %

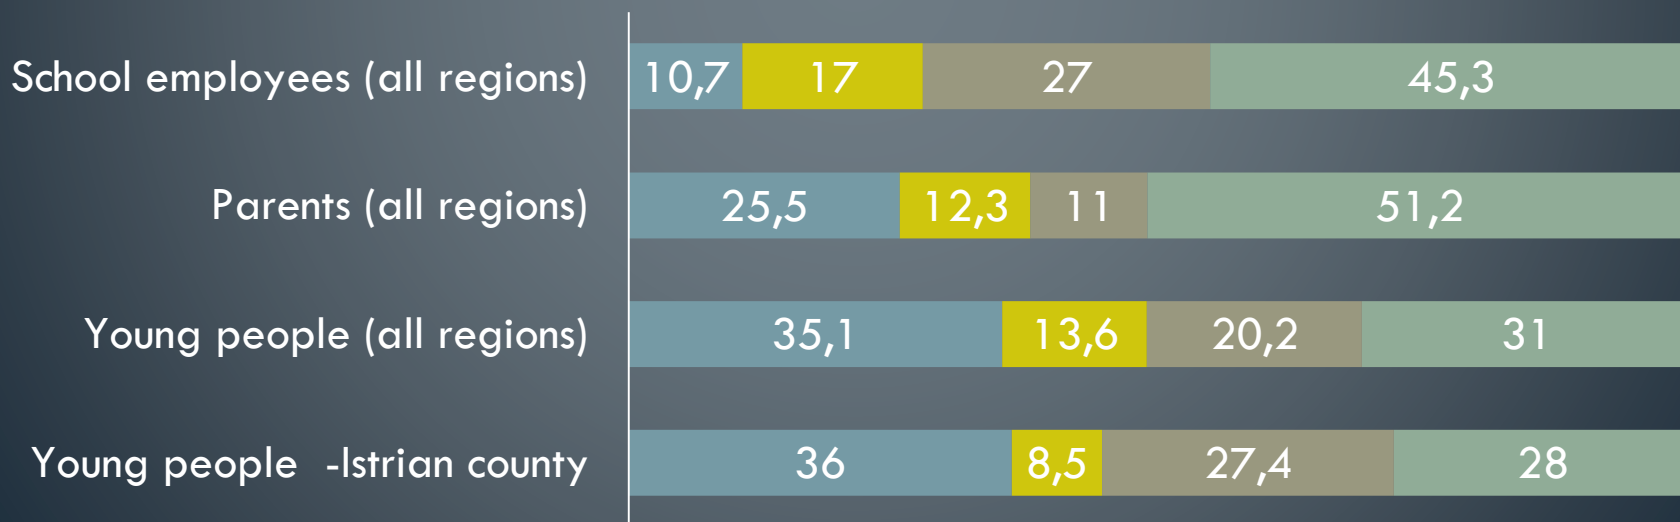

Minors can buy cigarettes.

- It doesn't happen/happens very rarely %
- It sometimes happens
- Happens frequently/it is very common %
- I don't know %

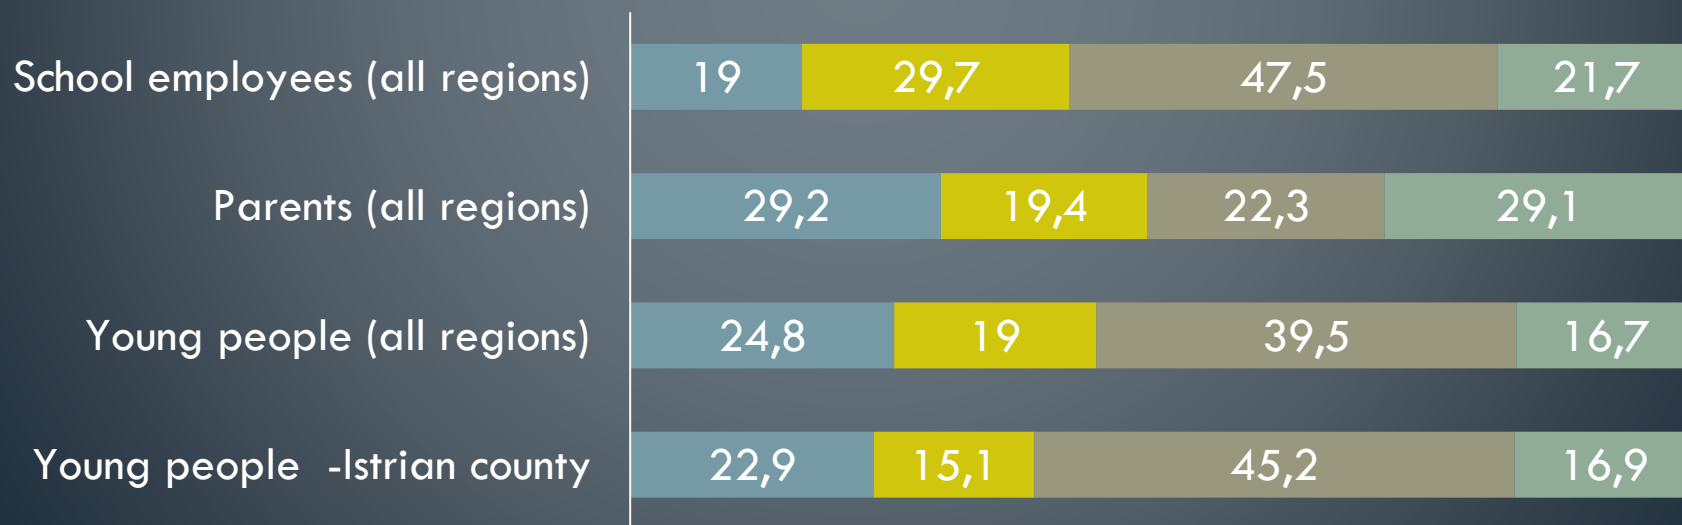

Minors can buy drugs.

- It doesn't happen/happens very rarely %
- It sometimes happens
- Happens frequently/it is very common %
- I don't know %

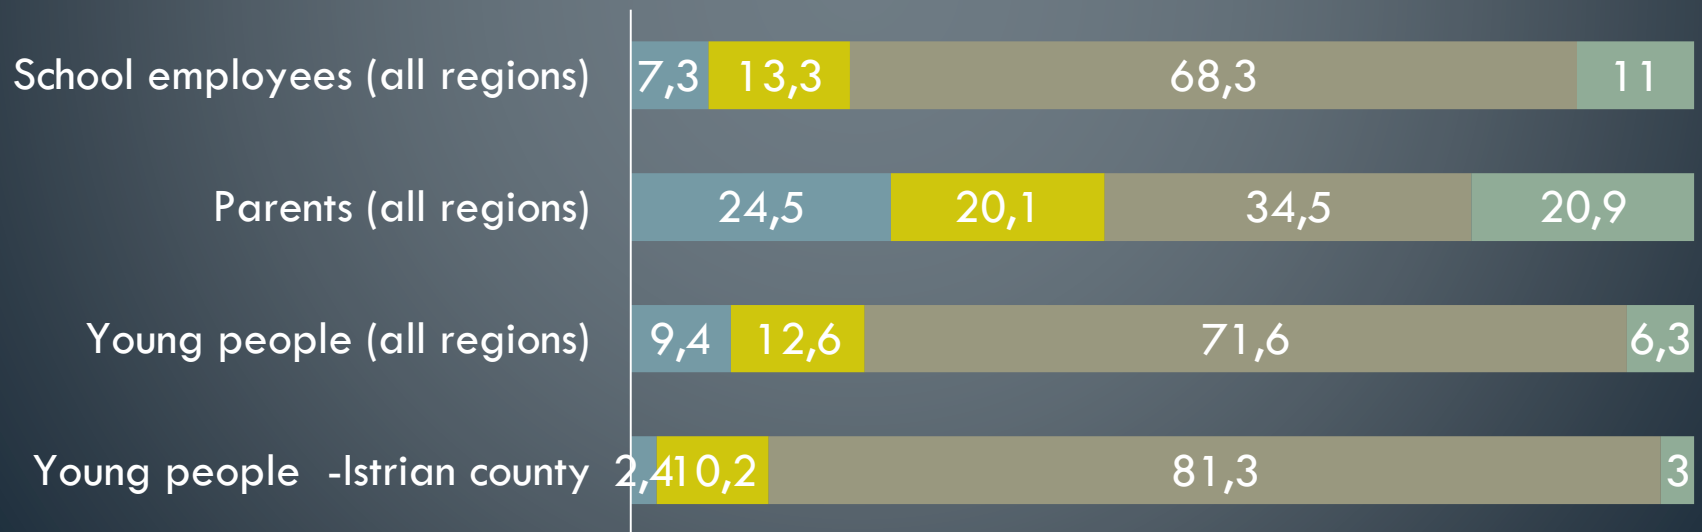

Minors meet in abandoned places unattended.

- It doesn't happen/happens very rarely %
- It sometimes happens
- Happens frequently/it is very common %
- I don't know %

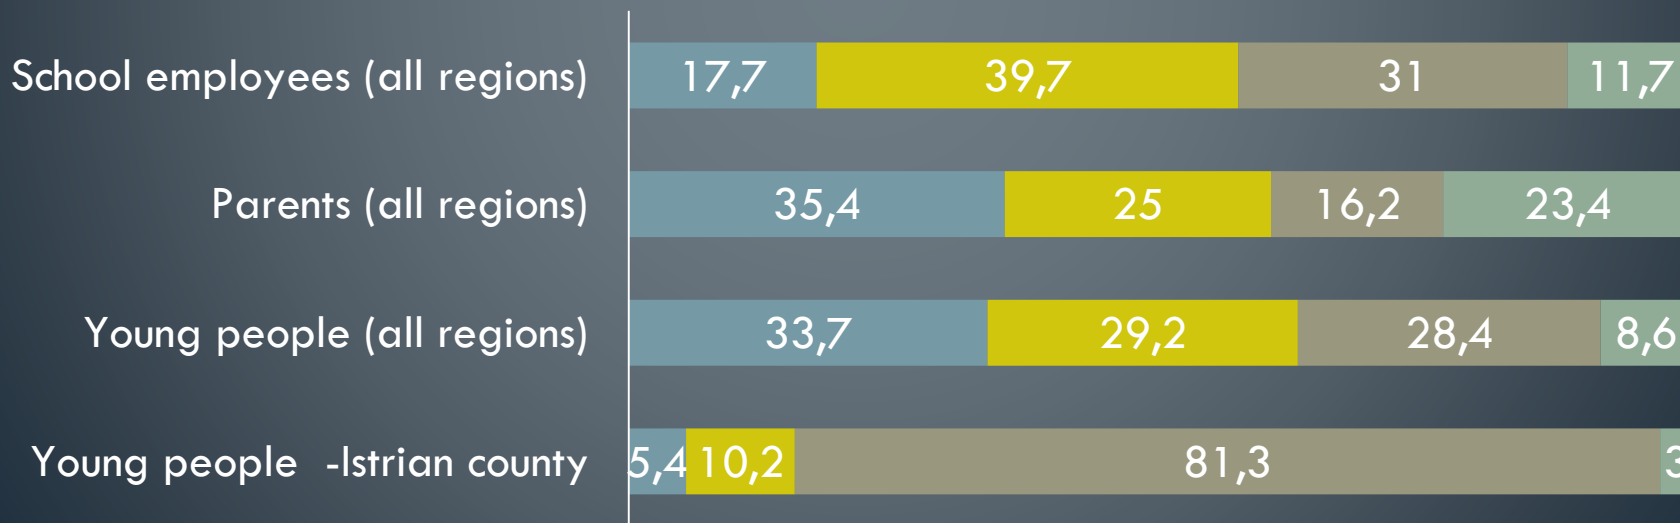

Children under the age of 16 stay out after 23 unattended.

- It doesn't happen/happens very rarely %
- It sometimes happens
- Happens frequently/it is very common %
- I don't know %

There are physical fights among young people.

- It doesn't happen/happens very rarely %
- It sometimes happens
- Happens frequently/it is very common
- I don't know %

A scale about attitudes on physical punishment:

It is justified to spank a little child in order for it to learn what it should not do.

■ Agree ■ Do not agree

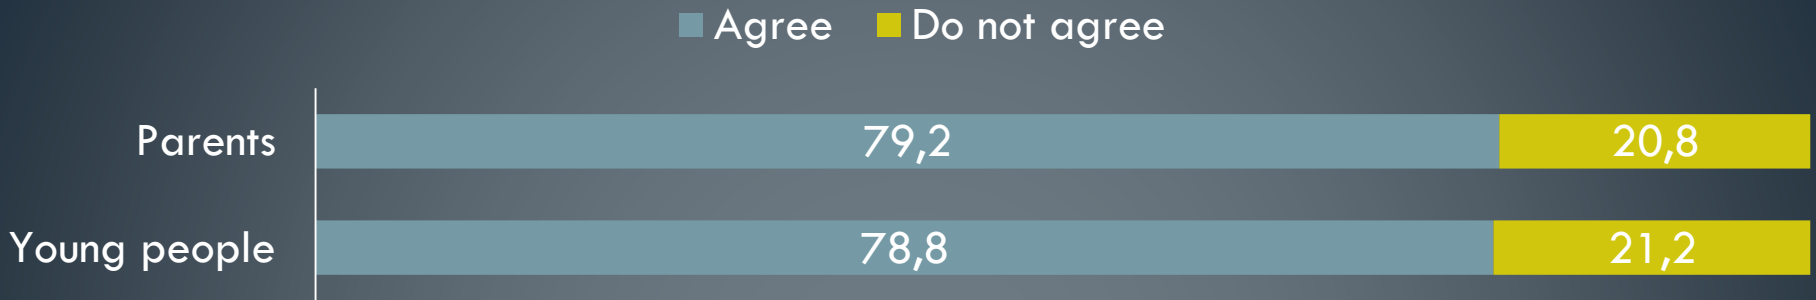

Most parents have at least once physically punished their child (spanked it, slapped, etc.)

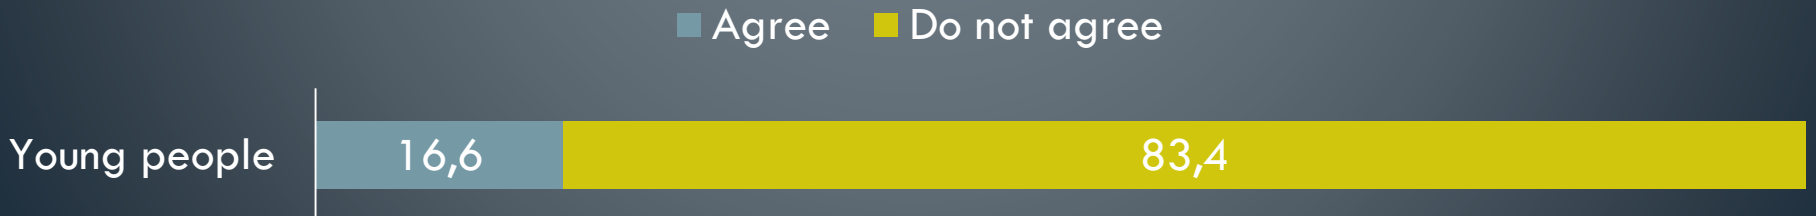

■ Agree ■ Do not agree

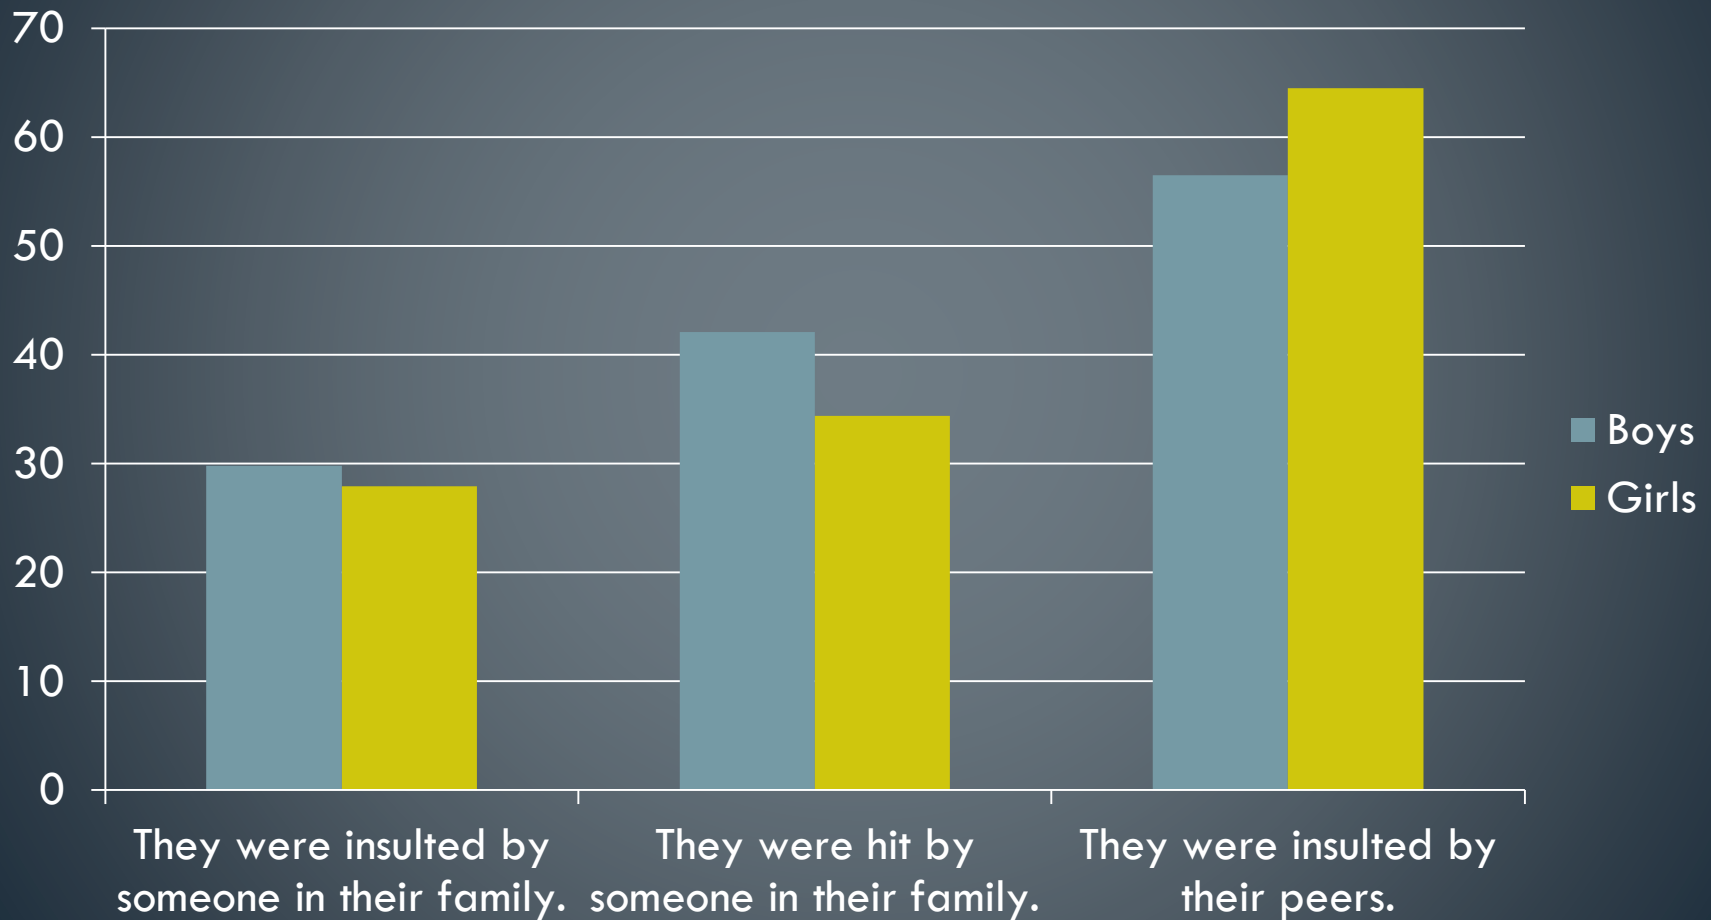

Most parents have at least once physically punished their child (spanked it, slapped, etc.)

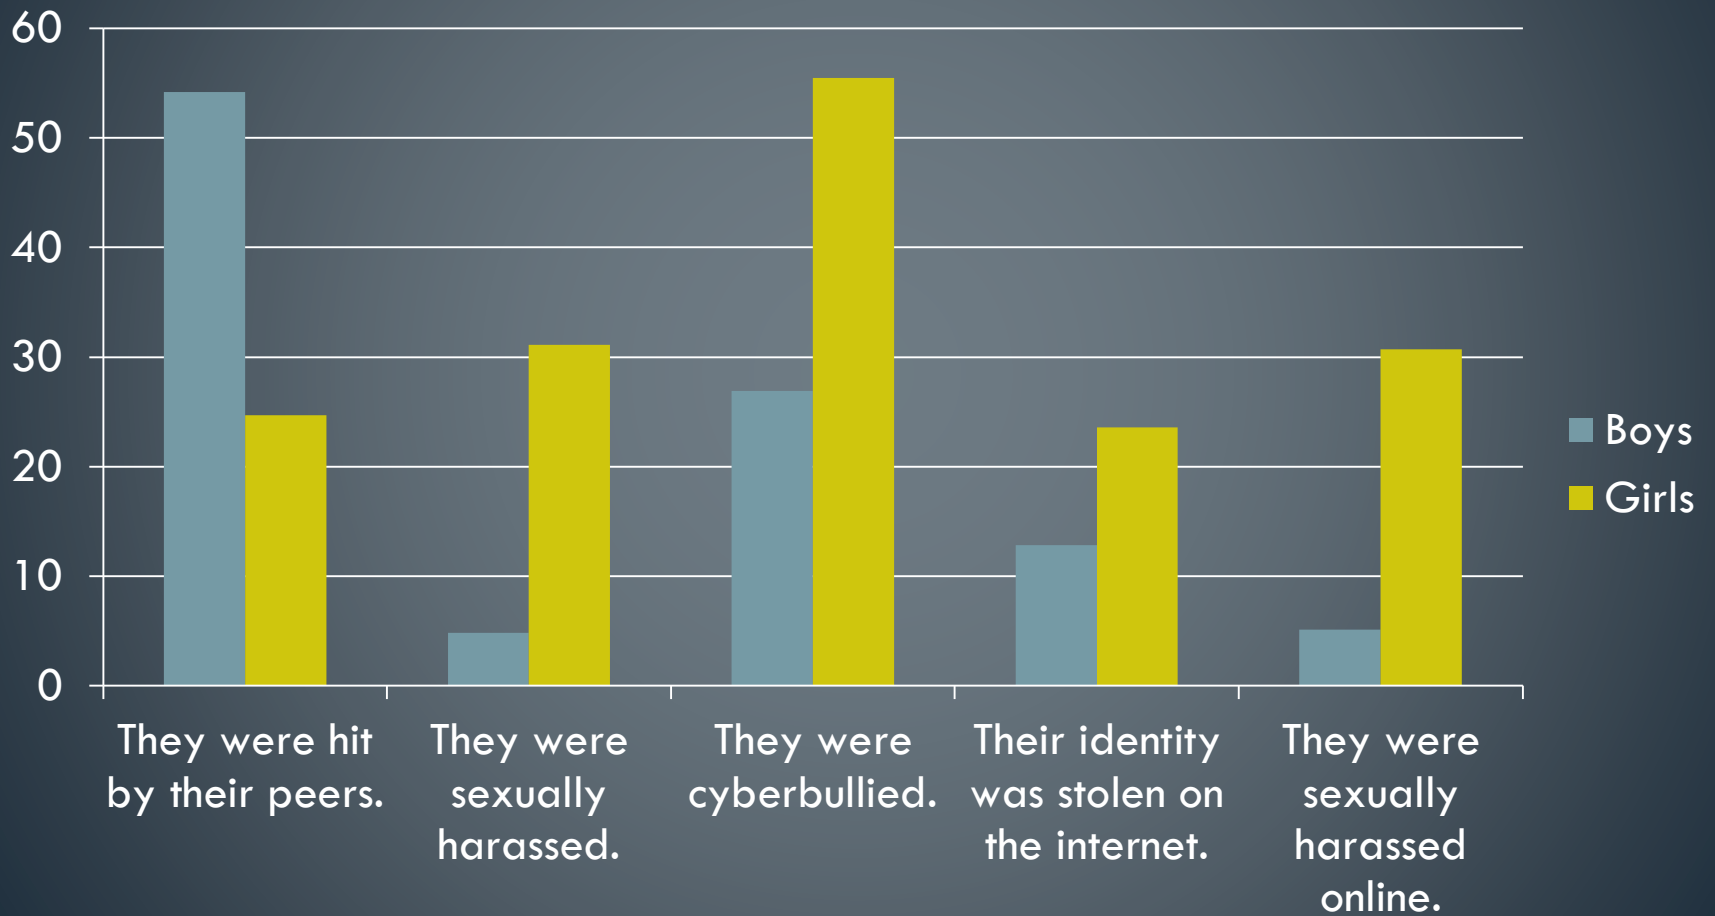

Once I am a parent, I will use physical punishment when the child deserves it

The percentage of young people who answered that most or almost all girls/boys have experienced some form of violence in their surrounding:

The End
