Planned activities at 10. 00			
10,00- 12,30	Workshop leader: Dijana Muškardin, prof. Lounge room for students no 95	Fascist propaganda in cartoons – the main idea is to organize a collective watching of Walt Disney cartoons made in the past on the topic of fascist and national socialist propaganda in a well- equipped classroom of High school Mate Blažine. As a follow up, students will be required to have a discussion about the content of the cartoons and come up with a conclusion about main critical ideas.	Workshop with students from Labin and Bari Students: Rafael Santaleza 3.f Lea Budaković 3.f Aleksandar Parenta, 3. f Maria Oroshi 3.f Antonia Jurasić, 3. f Paola Miletić, 3. f Antonela Pejić, 3.f Leona Šumberac, 3.f Roco Pastorčić 2.d Marta Mršulja 2.d – foto/ video Erik Franković 2.d Paola Pamić, 2.f Mario Turković, 2.f
10,00- 12,30	Workshop leader: Olivera Tadić, prof. School kitchen	Miners menu – taking into consideration that the new settlement in Podlabin was constructed with the aim to settle down numerous families, whose family members worked in the mine opened nearby, miners menu	Lana Klobas 3.f Alma Mahmić, 3.f Tajana Filipaš 3.f Anai Pučić, 3.f foto/video Simona Taletović, 3.f Marta Modrušan, 3.f

		will be served in the kitchen of High school Mate Blažine, such as: black ice-cream, classic breakfast of the minors etc. Thus, students will learn about food habits of the locals in the past.	
12,30-14,30	Lunch time. - Miners menu - for all participants		N. Gašparini, D. Mohorović 1., 2., 3.ght
14.30-15,30	Workshop leader: Milivoj Crvak, prof. Karla G. Milevoj, prof. Pjocal	Local ATRIUM route seen from a bird's perspective – an experimental laboratory, which will certainly be very appealing to students since it implies the use of an advanced equipment, that is, a drone in possession of the High school. Students will create scenarios of a documentary film using the drone to take some shots from a high altitudes in the area of the Industrial zone Pjocal. Last, but not least, students will make a short documentary. To sum up, it is a very interesting project in which students will combine modern technology, and see the so-called “fifth façade” of the buildings which is normally hidden to our eyes.	Martin Šverko, 3.e Gabrijel Ružić, 3.e Stella Garger, 3.f Romina Licul 3.f - foto/ video Vanna Dragičević, 3. f-foto/ video Victoria Bucul, 3.f Nina Savić, 3.o Nika Janko, 3.o Romina Grižančić, 3.o Stefani Ilić 3.o - glavna snimateljica Ambra Licul, 3.f Karlo Terković, 3.f Haris Pozderović, 3.f
